

Camping Reservations for Winter Range/NMLRA 2017 at Shooters' Campground East and Central Shooters' Campground

2017 Winter Range Camping Reservations will be accepted beginning Thursday, September 1, 2016, at 8am, Phoenix time.

All reservations are on the same form for camping. We have eliminated the second form and email for winterrange@azgfd.gov. Please DO NOT send emails or camping reservations to this email address as it is no longer valid and no one will be able to check for emails.

Any reservation submitted before September 1, at 8 am will **NOT** be processed for 2017.

All campers will need to pay for one night of camping to hold their site if reservations are made for February 20th through March 9th, 2015.

The actual amount of one night of camping will depend on what campground you will be staying in. These are the current rates for the winter months:

- Central Shooters' Campground (water/elec/sewer): \$35/night
 - Spaces 1-22 only. 1-18 have 30 amp & 19-22 have 50 amp available.
- Shooters' Campground East (water/elec): \$30/night
- Shooter's Campground East (dry): \$12/night

This is how it will work:

You will make a reservation request via our website like in years past. We do not accept camping reservations over the phone.

We will get back to every one as soon as we possibly can, but this is a hand written process and once the map is set we still have to enter all reservations in the campground computer and verify the information in the campground system is correct.

On your confirmation email, you will be given a one-week window to call the office and make a credit card payment (Visa and Mastercard). If you are not able to make a payment with a credit card, please note in the comments section of your reservation request so we can make different arrangements.

There will be **no refunds** whatsoever on this first night of camping.

Not everyone will be given the same one-week window, so don't worry if your window is one month out. We want to avoid 90 different people calling at the same time trying to make a payment so the one week windows will be staggered. We now have a call center so you will be placed in a que if we are already on the phone with other customers.

We will be offering weekly and monthly rates during February and March. The deposit amount you paid to hold you reservation will be deducted from your total when you actually check-in.

We strive to make this process as simple as possible. Please call 623-582-8313 or email basfcamp@azgfd.gov if you have any questions or concerns (or suggestions). When making calls do not press any buttons otherwise the phone system tends to loop you around in the menu and there is a long

pause in the message so please be patient. Please let the menu play through and it will either ring through to the desk phones, or put you in the que if we are already on the phones helping other customers.

As always, we very much appreciate your patronage to the Ben Avery Shooting Facility. We'll see you in the spring!
