- 41 . Unit 1 hunters, the AZ Department of Transportation closes the main highways to Big Lake (AZ Hwy 261 and AZ Hwy 273) by December 31 but may close the highways earlier due to weather conditions. Be aware, closure of AZ Hwy 261 and AZ Hwy 273 will limit access to the central and southern portions of Unit 1.
- 42 . Units 12A, 12B, 13A, and 13B have an extremely low-density elk population, about 40-50 elk combined for all four units. These units are specifically managed for wildlife values other than elk, and an established elk population is not desirable. The intent of this hunt is to eliminate this elk population. The cost of the tag has been reduced to \$35 to help achieve this objective. The Department cautions you that due to extremely low elk densities, hunt success will be very low, likely less than 5%. If you apply for this hunt during the draw, you will almost certainly draw it, which will cause you to lose your bonus points. It is highly recommended that you DO NOT APPLY for this hunt during the draw but wait to pick up a leftover tag. If you pick up one of these tags during the first come-first served process your bonus points will not be affected.

DEFINITIONS: BULL ELK - means an antlered elk. ANTLERLESS ELK - means an elk, any age, without antlers.

ELK BAG LIMIT: One (1) elk per calendar year except as prescribed in R12-4-120.
